- NSS volunteer, did special camp

## CERTIFICATION

---

- **NCC C certificate**  
Ministry of Defence

## AREA OF INTEREST

---

- Web Development

## ABOUT

---

I am a dedicated and ambitious student with a strong passion for web development. Eager to expand my skill set and learn new technologies, I am constantly seeking opportunities to grow in this field. As a learner, I actively seek out challenges and enjoy working in a collaborative team environment where I can contribute my ideas and learn from others.

## PROJECT

---

- **Github Finder App**

link:

<https://github-finder-api-ebon.vercel.app/>

This project allows users to search for GitHub profiles and retrieve their repositories by using the GitHub API, Tailwind, various REACT hooks to manage state and handle side effects.

- **Portfolio Website**

link:

<https://my-portfolio-psi-cyan.vercel.app/>

Developed a visually appealing and dynamic portfolio website utilizing React hooks and routes, effectively organizing and showcasing my projects and skills. Implemented responsive CSS styles to ensure optimal user experience.

- **Natours App**

This is a dynamic web application using Node.js, MongoDB, Express, and Mongoose. The primary goal of this project was to provide a platform for users to explore and book tours. Implemented various functionalities such as user authentication, signup, login, and password management and Error handling for Development and Production Environment. Additionally it comes with the ability to sort and paginate the results.

## SKILLS

---

- Python,C
- HTML
- CSS
- Tailwind
- Javascript
- React
- Nodejs
- Express
- Mongoddb
- Mongoose
- Fundamentals of OS,DBMS,CN
